

the face of the hostes and she gives up to the pain which racks her body. Many a woman entertains and wears a smile while her back aches and her nerves quiver with pain. Surely any medicine which offers relief to women would be worth a trial under such conditions. But when the woman's medicine, Dr. Pierce's Payorite Prescription, is offered with the proof of efficacy in thousands of well attested cures, what excuse can then be

offered for suffering longer?
Dr. Pierce's Favorite Prescription makes weak women strong and sick women well. It dries enfeebling drains, heals inflammation and ulceration and cures female weakness.

"It is with the greatest pleasure I write you the benefit my mother has received from your 'Pavorite Prescription' and 'Golden Medical Discovery,' "says Miss Carrie Johnson of Lowes-ville, Amherst Co., Va. "She suffered antold misery with uterine disease and nervousness, and had a constant roaring and ringing noise in her head. After taking six boules of Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery,' she was entirely cured."

MRS. IDA L. ROSER

Grand-Niece of Ex-President James K. Polk, Writes to Mrs. Pinkham.

Thankful for Health Restored by Lydia E. Pinkham's Vegetable Compound.

Did you ever stop to realize what keen satisfaction one experiences when we find that some kind and helpful thing we have done for some one else has been sincerely appreciated! At such times, how truly we understand the expression "it is more blessed to give than to receive."

Think, therefore, of the pleasure and genuine satisfaction Mrs. Pinkham experiences when such letters come to her as the one from Mrs. Roser while we are herewith permitted to publish.

Think what it means to her; it means first, that one more lovely woman has been relieved from sickness and distress through her assistance; it means second, that this woman who is cured is so grateful that she wants other women in the land to know of it; and it means lastly that Mrs. Pinkham's claims for Lydia E. Pinkham's Vegetable Compound are fully substantiated by testimony of such high character that gives stantiated by testimony of such high character that every woman who reads this must believe and hope.

To be appreciated is a great pleasure, but to bring peace and happiness to suffering is heavenly. Such is the mission of Mrs. Pinkham, and such a letter as the following proves her success!

MRS. IDA L. ROSER, 326 E. 18th Ave., Denver, Col. Grand-niece of ex-President James K. Polk, and Assistant Grand Secretary of Colorado, Wyoming, and New Mexico Independent Order of Good Templars.

"Dear Mrs. Pinkham — I have been married for nearly two years, and so far have not been blessed with a child. I have, however, suffered with a complication of female troubles and painful menstruation, until very recently.

"The value of Lydia E. Pinkham's Vegetable Compound was called to my attention by an intimate friend, whose life had simply been a torture with inflammation and ulceration, and a few bottles of your Compound cured her; she can hardly believe it herself today, she enjoys such blessed health. I took four bottles of your Compound and consider myself cured. I am once more in fine health and spirits; my domestic and official duties all seem easy now, for I feel so strong I can do three times what I used to do. You have a host of friends in Denver, and among the best count, Yours very gratefully, —Mrs. Ida L. Roser, 326 18th Ave., Denver, Col."

When a medicine has been successful in restoring to health so many women whose testimony is so unquestionable, you cannot well say, without trying it, "I do not believe it will help me." you are ill, don't hesitate to get a bottle of Lydia E. Pinkham's Vegetable Compound at once, and write Mrs. Pinkham, Lynn, Mass., for special advice-it is free and always helpful.

\$5000 REWARD. — We have deposited with the National City Bank of Lynn, \$5000 which will be paid to any person who can find that the above testimonial letter is not genuine, or was published before obtaining the writer's special per Lydia E. Pinkham Medicine Co., Lynn, Mass.
